

# Bachelor of Arts

## Build your foundation

Cultivate real-world skills like communication, critical thinking, teamwork and leadership. Find innovative solutions from diverse angles. Choose from 12 majors and eight minors, and gain expertise while becoming familiar with a variety of other subjects and skillsets.

This program will help you develop a range of abilities so you can approach today's most pressing issues with open-minded curiosity. Put your skills to practice through opportunities in undergraduate research, co-op, field schools and study abroad.

The Bachelor of Arts is a good option if you are interested in studying law, education, business or furthering your education with a Master's degree.

### Get started on a career in:

- Project coordinating
- Research
- Public relations
- Management
- Communications
- Teaching
- Marketing
- Counselling

## A TRU STORY

**Emi Omaha,**

*Bachelor of Arts in English and Creative Writing*

### **Why TRU?**

*"TRU is awesome, it's truly a place of learning where professors are actually happy if you go to their office and each lecture is totally worth your time!"*

### **Passionate faculty**

*"What I like most about TRU is that every single one of my professors have treated me like a person and not as a number. All of the university staff I've met have also been really supportive in my educational journey!"*

## FIND YOUR TRU

TRU is located on the traditional lands of the Tk'emlúps te Secwépemc, surrounded by stunning panoramic views of rivers, lakes and mountains. Our sprawling campus is at the heart of the city of Kamloops, close to shopping, entertainment and a spectacular outdoor lifestyle. On campus, enjoy small classes and find it easy to be engaged with your professors and classmates. Learn by doing and take your passion beyond the classroom — whether through co-op placements, applied research, volunteering in the community or studying abroad.

Find your path. Find your passion. Find your TRU.
